

AN ART DRAG SPECTACULAR

BENEFITING VAN GO

May 2
6-10pm

INSPIRED BY
FRIDA KAHLO

Muse is the first of many themed spring spectaculars benefiting Van Go.

Each year will be inspired by a different iconic artist, creating opportunities for local artists to exhibit and sell work while supporting Van Go programming.

This evening of entertainment will feature local drag queens working the runway in outfits by contributing fashion and jewelry designers, accompanied by additional fashion, jewelry, and art.
