**FOLLOW THE MAP &
THESE CLUES TO HUNT
THE BENCHES. CHECK
THEM OFF TO MAKE SURE
YOU FIND THEM ALL!**

From Broadway to concerts
And KU Symphony
If you're looking for shows
This place is the peak
At home on west campus
This venue's the lead
Come play on this bench
From 2003

If you want to shop local
This place has a great hook
Set off on a journey
Through the world of a book
Poe's visiting bird
Has a back alley nook
With benches old and new
For those willing to look.

When yoga is flowing
And moves to the beat
This studio knows
How to help bring the heat
Out on Wakarusa
Grab a mat, plant your feet
Ride the hot yoga wave
To the home of this seat

Duck fat or poutine
Or sweet potato's fun
For fries with a burger
Or food on a bun
We won't stand for insults
(though we might tell a pun)
Of this Mass Street bench spot
For a local food run

If you're looking for bread
This place has the most
Loaves, pastries, and meals
Its wood-fired boast
In the heart of downtown
On 9th is its home
Come sit on this bench
That's shaped like a loaf

If you're going whole-hog
This place has the meats
Serving up 'cue
At the top of 9th Street
You'll be beaming and happy
As you sit down to eat
Don't get lost in the sauce
Use this bench as your seat

If you want to eat local
This spot's in the hub
Of downtown Lawrence
Grab a plate at this pub
In a spot once for bankers
Now merchants make grub
Get more for your money-
TWO bench shoulders rub!

If you're looking to dine
Out near 6th and Wak
There's a man named John
Who would like to talk
Though a related restaurant
Is just a short walk
"First initial" & "brunch"
Point to this bench's spot.

To learn of the creatures
In our local biome
And the plants of the prairie
Where buffalo roam
By the lake named for Mary
This bench finds its home
In a center for learning
Where all are welcome

If you are an actor
The whole world's a stage
But for thespians local
This spot's all the rage
Find this spot out on Bauer
And we'll call you quite sage
Grab your seat on a bench
And don't sneak backstage!

Filled with cream cheese
Or cinnies so mini
If you need a donut
This place has plenty!
At the Crest of the Hill
You'll find oh so many
Cakes, cookies and treats
And a bench made for sitting

If reading's a challenge
But you have ears to hear
There's audible help
With the stadium near
A garden of senses
And many volunteers
3 benches now honor
This work that's so dear

Just as Kansas is found
At the heart of the nation
This bank is Central
In all its locations
But at 6th and Wak
Hold a celebration
You'll see 'n be
At this bench's station
